Dear Mr Conol,

Thank you for your email. I have had an opportunity to obtain instructions, and I can inform the Commission that the request to establish the Real Time Manager (RTM) position was submitted August 2021. Five RTM positions were approved in April 2022 and were filled in May 2022.

OFFICIAL

Good Afternoon Inspector Falzon

As per my previous email, the Commission is presently writing the report in this matter.

In paragraph 15 of the submissions made on behalf of the Commissioner of Police, it is submitted that the Radio Operations Group 'recently' introduced the 'Real Time Manager (RTM)' position.

Could you please clarify when (month and year) this position was introduced?

Kind regards,
Christian

Christian Conol
