Dear Mr Conol

I sincerely apologise for the delay in responding.

I confirm Mr B is in the same position as Ms A, that is, he endorses the recommendations proposed by Counsel Assisting and does not seek to put on written submissions.

We note the following minor typographical errors that we ask to be amended.

Paragraph 12: Two references to Mr A should read Mr B.
Paragraph 22: Three references at points d, e and f should read Mr B.
Paragraph 25: Reference to Ms B should read Mr B.

Kind regards,

Louise

OFFICIAL

Dear all,

In addition to the recommendations proposed in Counsel Assisting's closing submissions, the Commission is considering repeating Recommendation 1 of the Commission's report "Five Years of Independent Monitoring of NSW Police Force Critical Incident Investigations". Specifically, the recommendation is for the NSW Police Force to

> "...implement a procedure to provide a copy of all 'Critical Incident Declaration/Non-Declaration by Region Commander' forms (P1179) to the Commission in a timely manner"

We note that the NSW Police Force previously did not accept this recommendation when it was made in 2023. However, the Commission is now seeking the current views of the NSW Police Force and any witness involved in this investigation.

If you have a view about the proposed recommendation above, please incorporate same into your submissions in reply which are due by **30 January 2026** for all other parties and by **6 February 2026** for the Commissioner of Police.
